

## IDAES Graduate Day 2015

The **Inter-university Doctoral programme in Advanced English Studies: Linguistics, Literature and Culture**, run by the Universities of A Coruña (UDC), Santiago de Compostela (USC) and Vigo (UVigo) invites you to attend and participate in **IDAES Graduate Day 2015**. IDAES Graduate Day 2015 will be a one-day academic event consisting of the following activities:

- lecture by Prof Lachlan Mackenzie (Vrije Universiteit Amsterdam) "Breakthrough to internationally visible research"
- lecture by Prof Eibhear Walshe (University College Cork) "Irish studies in the twenty-first century: new directions, new approaches"
- presentations of research groups involved in IDAES
- presentations of doctoral candidates' research projects

**IDAES Graduate Day 2015** will take place at the University of Vigo (Vigo University Campus, Miralles building) on **May 15th** 2015, 10am–7pm.

Registered students will be issued official attendance certificates. PhD students who present their research during the event will be issued official participation certificates. If you are interested in presenting your research, please contact your local IDAES coordinator.
